#### **Useful information**

# Children under the weather?

Search 'Catch app' to download a free NHS local health app for parents and carers of children from pregnancy to age 5 (Use <a href="https://www.nhs.uk">www.nhs.uk</a> if not available in your region).

For more information visit www.catchapp.co.uk or @catchapp\_uk

#### Your Pharmacist

Pharmacists can offer advice and medicines for a range of minor illnesses and most have a room where you can discuss issues with pharmacy staff without being overheard and are trained to tell you when your syptoms mean you need to see a doctor.

# Need medical advice or help right now?

Use the NHS 111 service if you urgently need medical help or advice but it's not a life-threatening situation. You can also access 111 online at: www.111.nhs.uk

Trained advisors are available 24 hours a day and can book you an appointment at the Urgent Treatment Centre, order a repeat prescription or put you in touch with a healthcare professional.
