## The Governing Board's Annual Impact Statement

September 2021 - July 2022

The academic year 2021-2022 saw a gradual, careful and encouraging return to normality following the disruptions and restrictions of the COVID pandemic. School leaders and staff remained determined to provide a nurturing and stimulating environment for children, despite the risks, obstacles and uncertainties the pandemic continued to present. A great deal of care was taken by staff to ensure the wellbeing of all members of the school community, while welcoming a fuller range of activities, experiences and contributors to school life.

Governors too were able - eventually and cautiously - to resume an 'in-person' monitoring role within school. The Board's particular priorities were in supporting school leaders in the COVID 'catch-up' programme and in promoting the health and safety (physical and mental) of the whole school community — not least staff, who had worked tirelessly and with great professionalism, through an extraordinary, difficult period. Governors were gratified to observe that while the pandemic had created inevitable hurdles in pupils' educational progress, the school community had reconvened in good health and with enthusiasm. Governors were able to resume our programme of training and development following the COVID hiatus.

The Board welcomed the contributions of three newly appointed Governors – Rev. Nancy Goodrich (Bollington's parish vicar), Sue Roberts (recently retired teaching assistant) and

Rosie Hemmings (recently retired SENCO) – each of whom brings a huge wealth of knowledge and experience to our collective purpose.

## The Governing Board – Our Role & Constitution

The Governing Board of Bollington St John's Church of England Primary School is a diverse group of volunteers, drawn from a variety of backgrounds. Each of us brings our own experience, skills and perspectives to a shared purpose: ensuring the best quality of education and experience of school life for our pupils.

#### Our statutory role is in

- defining and upholding a clear, distinctive and robust vision, ethos and strategic direction for the school;
- holding the school's executive leadership to account for the educational performance of the school and its pupils, and the effective and efficient performance management of staff; and
- overseeing the financial performance of the school and making sure its money is well spent.

The Governing Board as a corporate entity is ultimately accountable and responsible for all decisions made within the School. Executive leaders (the Headteacher and her senior leadership team) operate within the autonomy, powers and functions delegated to them by the Governors.

Each member of the Governing Board is committed to the continuous development of the School as a whole and to our own ability and contribution as Governors. As such, we undertake extensive and regular training in all aspects of school governance, from core responsibilities such as the safeguarding of pupils in the School, to those specific to our role on the Governing Board, such as 'school finance', 'health & safety' or 'literacy', for example.

Governors are each members of the National Governance Association and receive their regular briefings and reports, as well as Cheshire East Council's weekly schools' bulletin, Government and Diocesan briefings and other significant developments highlighted by the Board's professional clerk.

The full Governing Board meets at least once each school term. In addition, a number of committees meet to consider different aspects of the school in detail. In order to understand the current challenges, achievements and requirements of the School, Governors regularly attend school events, undertake classroom visits and informal 'learning walks' around the School, and carry out consultations with staff, pupils and parents. During the height of the coronavirus pandemic, our ability to carry out on-site visits was restricted

to regular socially distanced health & safety meetings outdoors, where government rules allowed.

The term of office of all governors is 4 years.

## Governance Arrangements 2021-2022

Our Governing Body is constituted to include the following members:

- 1 x Headteacher Governor (ex-officio);
- 1 x Staff Governor (elected by teaching and support staff employed at the school);
- 2 x Parent Governors (elected by parents of pupils attending the school)
- **8 x Foundation Governors** (appointed by the Chester Diocesan Board of Education in consultation with the Parochial Church Council of Bollington. Foundation Governors ensure the founding principles and character of the school are upheld);
- 1 x Local Authority Governor (appointed by the local authority);
- **1 x Co-opted Governor** (appointed by the governors to bring valuable skills and experience to the governing board and/or to represent local community interests).

The Governing Body is constituted to draw upon a wide range of skills and experience to inform, support and challenge the strategic direction of the school. We encourage and welcome a range of opinions and perspectives in considering the best outcomes for the School and our pupils.

At times there may be positions vacant on the board and applications from those interested in contributing are welcomed by the Chair of Governors. We continuously review our membership and structure to ensure that the Board's collective skills and experience enables us to fulfil our purpose.

#### During the 2021 - 2022 school year, the following Governors were in post:

- **1. Mike Akerman**, Foundation Governor / Chair of Governors
- **2. Rev. Nancy Goodrich**, Ex-Officio Foundation Governor
- **3. Rosie Hemmings**, Foundation Governor (from Nov 2021)
- 4. Carl Malia, Foundation Governor
- 5. Tess Phillips, Foundation Governor
- **6. Sue Roberts**, Foundation Governor
- **7. John Rogers**, Foundation Governor / Vice-Chair of Governors
- 8. Andrew Selwood. Parent Governor
- 9. David Skidmore, Foundation Governor

**10. Melanie Walker**. Ex-Officio Head Teacher Governor

11. Ellen Watson, Staff Governor

# Where to find Attendance Records and Further Information about our Governors

The attendance records of Governors for our Full Board and Committee meetings are published on the school website at <a href="www.bollingtonstjohns.co.uk/page/governors/17251">www.bollingtonstjohns.co.uk/page/governors/17251</a>, together with brief biographical information and minutes of meetings.

## Focus and Responsibilities of Governance Committees 2021 - 2022

Each of our four Governance Committees has a specific focus, and committee members have defined roles and responsibilities to the Governing Board. For example, our 'Quality of Education' Committee monitors and interrogates the quality of curriculum and teaching in the school, by

- considering and questioning pupil progress data against a) the published strategy for the school and b) local and national trends;
- observing lessons (through informal participation) and carrying out informal 'learning walks' through the school;
- talking to pupils and considering 'pupil voice';
- asking questions of staff and considering their reports;
- observing pupil engagement and behaviour in lessons, and
- observing pupil/teacher relationships.

Governors on the committee are assigned to link with subject lead teachers in the school and they undertake formal training to understand current national and local developments.

#### **Committee Structure**

In the 2021-2022 school year, our committee structure was as follows:

**Committee 1: Quality of Education** 

Committee 2: Behaviour and Attitudes Committee 3: Personal Development

Committee 4: Effectiveness of Leadership and Management Finance

## Considering Our Impact as a Governing Board 2021-2022

Each year, the Headteacher and senior leadership staff set priorities for school development, informed by attainment data, school improvement consultation, self-evaluation, local school partnerships, national strategy developments and other key considerations. These form part of the school's three-year development plan. Governors use this as a basis for critical support to the school's senior leadership team. Priorities are assigned to each of the four governance committees and reviewed on a termly basis.

#### Critical Support to the Senior Leadership Team's Development Priorities

In the academic year 2021 – 2022, the school set the following key development priorities:

- 1) Ensure catch up interventions are in place, children are assessed and learning revisited following the coronavirus pandemic.
- 2) To start the Mastering Number Programme as part the sustaining mastery maths group.
- 3) Raise the attainment of Spelling, Punctuation and Grammar (SPAG) throughout the school
- 4) Ensure that the new Early Years (EYFS) curriculum is fully embedded, the Reception Baseline Assessment (RBA) is completed and the cohort achieves GLD (Good Level of Development) in line with the national average.
- 5) Source and fit fire doors as per Health and Safety audit.
- 6) Embed, review and assess the new PSHE curriculum (including myHappymind) which has been rewritten to link to books.
- 7) Start the Global Neighbours Accreditation through Christian Aid.
- 8) Oversee the implementation of the new curriculum in Early Years. Ensure it is fully understood and embedded by all EY staff. Monitor progress to achieving GLD.

These priorities were monitored and supported by the governing board committees in the following ways (overleaf):

## **Priorities from the School Development Plan 2021–2022**

| To start the Mastering Number Programme as part the sustaining mastery maths group. | Following the coronavirus pandemic, as a staff we identified a gap in the pupil's recall of key number facts. This links to the work the Cheshire and Wirral Maths Hub are focusing on. The mastering number programme for EYFS and KS1 starts in September and will support this school priority. The maths subject lead will monitor impact and will ensure training is embedded across the school. This will also support the maths priority linked to the use of representations to link back to prior learning and lead into new learning. | All<br>teaching<br>staff<br>and<br>SENCO               | Sept 21-<br>July 22 | Subject lead action plans;<br>Staff training;<br>Assessment of impact;<br>Data shows raised<br>attainment |        |
| Raise the attainment of SPAG throughout the school.                                 | The aim is to raise the profile of, and attainment in, SPAG across the school. This will be supported by our Grammar Bug programme and Literacy Tree curriculum.  Following the pandemic, an analysis of data highlighted a dip in SPAG results, which also linked to a dip in writing.  The LA has highlighted Early Reading and Phonics as a Cheshire East priority. We will be accessing their training and curriculum development plan to support this priority point.  | All<br>teaching<br>staff,<br>SENCO,<br>English<br>lead | Sep 21 –<br>July 22 | Subject lead action plans;<br>Staff training;<br>Assessment of impact;<br>Data shows raised<br>attainment |        |
